True Canadian stories of workplace tragedy — from the families' perspective

Forget Me Not

... is a book like no other. Each chapter tells a story about one family that was forever changed when a loved one was traumatically injured at work, diagnosed with an occupational disease or who was fatally injured at work.

- This soft-cover book reveals easy-to-read, first-hand honest and compelling testimony about family life in the aftermath of a workplace tragedy
- Readers will find lessons-learned from survivors, tales of personal challenges, courage and resilience.
- Sidebars present facts about health and safety hazards across multiple workplace sectors including construction, industrial workplaces, fisheries, agriculture, forestry, and others.

Book retail price: \$19.99/book + shipping and handling (1-4 books \$5/book; 5+ books \$3/book).

All proceeds go directly to Threads of Life support programs and services for families of workplace tragedy.

Who will use this book:

CEOs committed to health and safety training can personally sign individual copies and present them to new hires and young workers during health and safety events and training. A highly effective way to reinforce the importance of health and safety to all employees.

If you're a:

- **health and safety professional**
- **human resources professional**
- **manager**
- **member of a joint health & safety committee**
- **government official** involved in occupational health and safety policies and decision-making
- **union member** or **executive**
- **teacher** or **professor**

... *Forget Me Not* is an exceptional complimentary resource to 'set the stage' for health and safety orientation and training to break through complacency. Safety matters — and this book highlights all the reasons why.
