Financial Contribution to Threads of Life

Threads of Life is a registered Canadian charity. Our speakers are volunteers who donate their time and very personal story in the hope of preventing future workplace tragedies. They do so with the expectation that a contribution will be made to Threads of Life. For example, a donation of \$1500 allows one person to attend a family forum. A donation of \$1000 sends an issue of our Threads newsletter to 500 families.

We pledge a financial contribution of \$ _____ to Threads of Life in response to the speaker presentation.

Volunteer Expenses

Travel expenses, food and lodging (where applicable) will be covered by the organization booking a speaker. A few of our volunteers require compensation for lost wages as they must take time off work to speak at an event. An estimate of expenses will be provided during the booking process.

Please note that Threads of Life speaker presentations and materials are the property of our volunteer speakers. Recording is not permitted unless discussed with Threads of Life in advance. Copying and distribution of presentations, powerpoint files or photos is prohibited.
